

- 36000** Ext Render Trim - 2.5mm Build x 2.4 m
- 36001** Ext Render Trim - 2.5mm Build x 3.0 m
- 36004** Ext Render Trim - 3.5mm Build x 2.4 m
- 36005** Ext Render Trim - 3.5mm Build x 3.0 m
- 36008** Ext Render Trim - 4.5mm Build x 3.0 m
- 36012** Ext Render Trim - 6.0mm Build x 3.0 m

External render trim is manufactured with a T shape "anchor" top for excellent product adhesion. The large triangular holes and double sided ridging assist adhesion to all substrates.

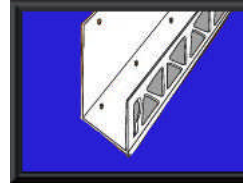

- 36053** Window Sill Trim- 40mm 3.5mm Build x 3 m
- 36054** Window Sill Trim- 60mm 3.5mm Build x 3 m
- 36055** Window Sill Trim- 75mm 3.5mm Build x 3 m
- 36056** Window Sill Trim- 40mm 6mm Build x 3 m
- 36057** Window Sill Trim- 60mm 6mm Build x 3 m
- 36058** Window Sill Trim- 75mm 6mm Build x 3 m

Window Sill Trim provides a maintenance free finish around window sills. Ideal for AAC or EPS sheets of varying widths, the window trims are angled to provide water run off.

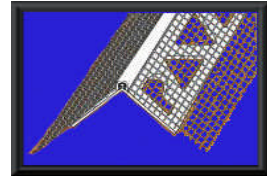

- 36020** Ext Render Trim 90° - 2.5mm Build x 2.4 m
- 36021** Ext Render Trim 90° - 2.5mm Build x 3.0 m

The traditional round "nib" provides a neat finish for skim coats on 90° corners on a range of substrates

- 36065** Starter Trim- 7mm 3.5mm Build x 3.0 m
- 36066** Starter Trim- 40mm 3.5mm Build x 3.0 m
- 36071** Starter Trim- 75mm 3.5mm Build x 3.0 m
- 36073** Starter Trim- 40mm 6mm Build x 3.0 m
- 36077** Starter Trim- 75mm 6mm Build x 3.0 m

Starter Trim provides a strong & straight base for walls. Ideal for AAC or EPS sheets of varying widths the trim has built in drip line and drainage holes to allow moisture run off.

- 36031** Render Mesh Trim - 2.5mm Build x 3.0 m
- 36033** Render Mesh Trim - 3.5mm Build x 3.0 m

Render Mesh Trim provides extra bonding area to AAC or EPS sheets on the critical corner sections. Available in round nib or T shape "anchor" top profiles

- 36088** Reveal Trim- 40mm 3.5mm Build x 3.0 m
- 36090** Reveal Trim- 75mm 3.5mm Build x 3.0 m
- 36091** Reveal Trim- 40mm 6mm Build x 3.0 m
- 36093** Reveal Trim- 75mm 6mm Build x 3.0 m

Reveal Trim provides a maintenance free finish around door and window reveals. Ideal for AAC or EPS sheets of varying widths, Reveal Trims reduces costly install time around these areas.

- 36027** Archway Bead - 2.5mm Build x 3m

Utilising the round "nib" the Archway Bead provides a neat finish for skim coats on arch and curved corners on a range of substrates

- 36098** Render Expansion Joint- 3.5mm Build x 3 m
- 36099** Render Expansion Joint- 6mm Build x 3 m

Render Expansion Joint provides a neat finish to control joints that will allow movement in the joint

- 36023** Ext Render Trim 135°- 2.5mm Build x 3.0 m

The traditional round "nib" provides a neat finish for skim coats on 135° corners on a range of substrates

- 36041** L bead - 10mm Tearaway 2.5mm Build

Tearaway L Bead can be used to finish Fibre Cement Sheet or as a trim on painted or finished surfaces such as window & door frames
